**Question 1:** Will installation be needed for this project or the pilot programming?

**Answer 1:** All installations will be completed by County staff. If the vendor would like to participate, that will be acceptable and scheduled accordingly.

**Question 2:** I noticed that Verizon, AT&T and Sprint are the listed providers. We absolutely work with each and all of these providers but we also have the capability to embed the cell radio's in our gateways or use a USB card. Is there a primary cell carrier that your agency may be using?

**Answer 2:** We asked for 3 demo units because we wanted to do a North/Central/South test and would like to also be able to test 3 providers. Verizon, AT&T and Sprint are the primary agencies that service Lake County.
